

METHODISTS SOUTH WANT 35 MILLION

Nashville is Center From Which the Movement Is Directed.

The sum of \$35,000,000 will be raised by the Methodist Episcopal church, south, during the week of May 18 to 25. This money will be spent to promulgate Christianity in the war-ridden countries of Europe; to carry on missionary work in the darkest corners of Africa, Asia and South America, and a considerable sum will be spent in the Southern states for the education of both the whites and negroes.

While statesmen will rebuild shattered governments, educational interests will erect colleges, business men will devote their energies to reconstruct shattered communities and industries, the church will devote its money and efforts toward the spiritual welfare of the war-ridden people.

When the war was at its height the Methodist church of America decided to inaugurate a movement in commemoration of the one hundredth anniversary of the first missionary work done by the church in America. This movement had as its original object the establishing of a greater mission in what are known as heathen countries. When the question came from devastated Europe, "What do the churches intend to do?" the leaders sent back the answer, "Rebuild the churches and help you rebuild the spiritual lives."

These leaders were convinced there could be no lasting peace and the world could not be safe for democracy until the right kind of religious work was developed simultaneously with the material.

Campaign Directed From Nashville. In the city of Nashville the campaign for \$35,000,000 is being directed. There are W. B. Beauchamp, a rector general, and his staff are working day and night to secure the co-operation of eight million people directly interested in the Methodist church, south.

Thirty states have been grouped and divided into districts in charge of both laymen and clergymen. Every church has been canvassed and an amount designated that it is expected to raise. Meetings are being held all over the country and as the date of the campaign approaches there will be a large army of dispassionate workers who will get results.

No movement has ever excited so much interest. The biggest of the undertaking is easily comprehended when compared to some of the campaigns conducted during the war. The greatest of these was the United War drive which brought in \$200,000,000.

Survey Made of the World. A complete survey of the entire world has been made that the needs of the church might be carefully and intelligently studied. That has been accomplished by sending commissions over the various fields. A budget has been prepared as a result and the campaign for the thirty-five millions started.

Bishop James Atkins is chairman of the Centenary Commission for the whole Southern church. Working in connection with him is Dr. W. W. Thason, general secretary of the Board of Missions. Dr. W. B. Beauchamp, general secretary of the Laymen's Movement, is the directing head of the organization. He is assisted by Dr. W. G. Cram.

Fair Held at Columbus. During the latter part of June there will be held in Columbus, Ohio, an exposition that will be unique in the annals of the world. It will be the largest of its kind ever arranged and will consist of natives brought from Africa, the Orient, South America and Asia. These natives will be shown in their own dwellings, and in their native life and through charts, maps and all kinds of illustrations their transformation from savages to modern Christians demonstrated. Each group will be in charge of experienced teachers and missionaries,

who will accompany them from the far away countries. This is another of the many forces that are working to make the Centenary an overwhelming success.

FRIED CHICKEN FOR FAIRVIEW HEROES

Red Cross Was Host and There Were 14 Honor Guests Saturday.

Fourteen returned soldiers and sailors of Fairview, with their mothers, wives and sweethearts, were regaled with fried chicken and trimmings dinner by the Red Cross of Fairview in the K. of P. hall at that place Saturday evening. Following the feast were addresses of welcome by Reverend C. N. Coffman, of the M. E. church, south, and Reverend R. D. Hall, of the First M. E. church.

Efforts on the part of the toastmaster, Reverend Coffman, to prevail on the boys to tell of their experiences at the front, proved fruitless, for all were too modest to tell before company, the many heroic things which they had accomplished.

The following good things were devoured: Fried chicken and gravy, mashed potatoes, baked beans with pork, cold slaw, olives and pickles, salads, deviled eggs, ice cream, about seventeen kinds of cake, and coffee.

The ladies of the Fairview Red Cross who were responsible for the cooking were: Mrs. James E. Sutton, Mrs. Ira C. Yost, Mrs. J. B. Machesney, Mrs. Will Knobe, Mrs. J. C. Machesney, Mrs. Will Bowman, Mrs. R. C. Hall, Mrs. W. D. Yost and Mrs. H. D. Eddy. The following service men and their folks were present:

Homer D. Whetzel, Fisher Pyles, Cora B. Toothman, Herbert Toothman, Miss Zoia Toothman, Jesse Haught, Miss Snow Toothman, John Haught, Mother Snodgrass, Okey G. Toothman, Mrs. R. D. Hall, Rev. R. D. Hall, Mrs. C. N. Coffman, Rev. C. N. Coffman, John McCray, A. N. Weaver, Mrs. A. N. Weaver, Gay Shuman, Ruth Weaver, Mrs. Minnie Price, James G. Long, Mrs. H. E. Hamilton, H. E. Hamilton, F. E. Jamison, Mrs. J. L. Tennant, Lieut. Harry H. Pyles, Mrs. Carl Hamilton, H. R. Steele.

CLAIM WILLIAMS IS NO RELATIVE

No Trace Yet of Aviator Who Passed Worthless Checks Here.

As yet no signs of Joseph William Williams, the returned army aviator pilot, who is accused of floating worthless checks have been seen. The Friedman whom Williams is accused of representing as a cousin, state that such is untrue and claim that Williams' father was only a friend of Mr. Friedman.

Friedmans say that Williams, who had been stopped with them came to their residence very suddenly on Friday afternoon and said that he was to be congratulated. Upon inquiry as to whether he was to have a better half shortly Williams replied in the contrary, but said he gone to Pittsburgh where he had accepted a better position.

On Friday afternoon shortly before he left to parts unknown he was in Fairmont introducing a Clarksburg lady as the "prospective Mrs. Williams." This information does not harmonize with that which he first gave out when he came to Fairmont, saying that he had a wife in Los Angeles.

Suspicious Toughness. "Walter," said a diner in a country restaurant, "this chicken is very tough."

"Very sorry, sir, but you see that chicken was a peculiar bird. Why when we came to kill it, we couldn't catch it. It flew up on top of the barn and we had to shoot it."

"Are you sure you didn't shoot the weathercock by mistake?"—Boston Transcript.

Nerv-Worth Restores Happiness Which Ills of the Flesh Had Robbed His Wife Of.

Another grateful Nerv-Worth user comes to the front with a signed tribute to this famous family tonic and consents to its publication in order to enable her fellow sufferers to profit by it.

"My wife doctor for years trying to cure her nervousness. She would cry out in distress at night. While in bed her nerves would twitch and jerk and rob her of her sleep. She was in a serious condition. Had severe stomach trouble. Had taste in mouth. Appetite was poor and digestion was in a terrible condition."

"I purchased a bottle of Nerv-Worth and she took it as directed and to our surprise ALL THESE TROUBLES LEFT HER. Nerv-Worth did what doctors and other remedies could not do. She is now enjoying splendid health and is strong and vigorous and at her normal weight. We both recommend Nerv-Worth."

STOMACH UPSET?

Get at the Real Cause—Take Dr. Edwards' Olive Tablets

That's what thousands of stomach sufferers are doing now. Instead of taking tonics, or trying to patch up a poor digestion, they are attacking the real cause of the ailment—clogged liver and disordered bowels.

Dr. Edwards' Olive Tablets arouse the liver to a soothing, healing way. When the liver and bowels are performing their natural functions, away goes indigestion and stomach troubles. If you have a bad taste in your mouth, tongue coated, appetite poor, lazy, don't care feeling, no ambition or energy, troubled with undigested foods, you should take Olive Tablets, the substitute for calomel.

Dr. Edwards' Olive Tablets are a purely vegetable compound mixed with olive oil. You will know them by their olive color. They do the work without griping, cramps or pain.

Take one or two at bedtime for quick relief, so you can eat what you like. At 10c and 25c per box. All druggists.

Regulations Respecting Dogs

Chapter 24. Section 1.

It shall be the duty of every person who shall own, keep or allow to be kept on his premises or elsewhere within the city any dog to report the same to the city clerk for registration in a book to be kept by him for the purpose, in which shall be entered the name of the person owning, keeping or allowing to be kept such dog, the kind of dog, whether male or female, together with the number of the tag to be attached to said animal.

IF ANY PERSON OWNING, KEEPING OR ALLOWING TO BE KEPT ANY SUCH ANIMAL SHALL FAIL TO MAKE SUCH REPORT FOR TEN DAYS AFTER THE FIRST DAY OF JULY IN EACH YEAR, HE SHALL BE FINED, UPON CONVICTION, NOT LESS THAN THREE OR MORE THAN TEN DOLLARS.

It is very annoying and dangerous and very unsatisfactory as well to have to go out and take up the dogs. It is unfair to those of our people who always pay their dog tax without any question to permit other of our citizens to keep one or more dogs without securing a tag.

The LAW above quoted furnishes an adequate remedy, and commencing Monday morning, March 24, an officer will begin to make a house to house canvass to ascertain who may have a dog upon which no tax has been paid. WARRANTS will be served upon all such people and they will be ordered before the Mayor to receive the FINE contemplated under the law. Neighbors of people hiding their dogs can safely communicate the fact to the police department without fear of being known as having furnished the information.

If you have a dog and do not wish to keep it and pay the tax, you may deliver it to the crematory for disposal.

This LAW and regulation is applicable to all house dogs as well as others and will be applied to all without favor.

This is ample and sufficient notice, and if you are FINED you will have yourself only to blame.
